

WINTER & YOUR WALLET

Use these tips to cut electric costs during the winter months:

When you are asleep or out of the house, turn the thermostat back to save as much as 10% a year on your heating and cooling bills.

Seal air leaks around utility cut-throughs for pipes, gaps around chimneys and recessed lights in insulated ceilings, and unfinished spaces behind cupboards and closets.

Share Shed

Our Public Works Director, Patrick Moore, implemented a type of blessings box for our town and surrounding citizens to utilize. Inside we have non-perishable foods, toiletries, baby food, diapers, infant essentials, and blankets, coats and other winter accessories. This site is located on our Town Hall Campus, at 4083 C Wilson's Mills Road. This site is accessible 24/7 and is under police surveillance. Simply undo the top and bottom locks, open the doors, grab what you need, and lock the doors back after you are done.

If you would like to contribute to the Share Shed, we accept donations inside Town Hall Monday-Friday, 8:30-5:00pm, or donations can be left neatly inside the Share Shed.
