AUTO STORAGE & TOWING – ADDITIONAL STANDARDS

Date: _____

Permit Number: _____

Automobile Towing and Storage Facilities are only permitted in districts that are zoned INDUSTRIAL (IND) and VEHICLE SERVICE & REPAIR (VSR) and must comply with the following regulations. Please complete, initial on each line, sign and date where indicated. (NOTE: This form is in addition to the Zoning Permit. Remittance of Zoning Permit fees only apply.)

_____ No more than 110 automobiles per acres of storage area shall be stored at any automobile towing and storage service at a time.

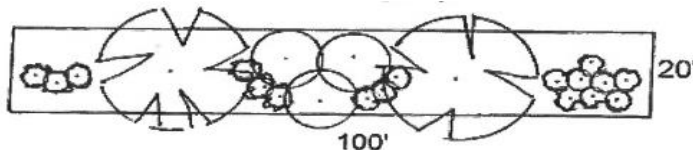

_____ NO outdoor disassembly or salvaging is permitted.

_____ NO parking of towed or wrecked automobiles outside of the fence.

_____ Yard and grass must be maintained in a manner not to attract rodents, snakes, etc.

_____ The automotive storage area must be screened with a six-foot-tall opaque fence and a Type C buffer*; plantings shall be on the exterior side of the fence and must stay maintained.

**Type C Buffer Yard: A low-density screen intended to partially block visual contact between uses with a minimum of 60% opacity.*

I have read and understand the above requirements for Automobile Towing and Storage Facilities. My business complies or will company and continue to comply with all listed restrictions while I am responsible for said business.
