Town of Wilson's Mills Issues Statement on Neighborhood Speed Limits

The Town of Wilson's Mills is taking additional steps to promote safety within its residential neighborhoods by establishing a 15-mph speed limit in neighborhood areas throughout the Town. The change reflects the Town's continued focus on creating safer streets for residents, pedestrians, bicyclists, children, and motorists. Lower speeds in residential areas can give drivers more time to react to changing conditions and help reduce the risk of serious incidents.

Residents and visitors are encouraged to remain alert, watch for posted speed-limit signs, and use extra caution when traveling through Wilson's Mills neighborhoods. The Wilson's Mills Police Department will also continue its efforts to educate the public about safe driving practices, and the importance of obeying posted traffic laws.

The Town appreciates the cooperation of residents and motorists as we work together to keep Wilson's Mills a safe and welcoming community.

Slow down. Stay alert. Help keep Wilson's Mills safe.
